**ROOTED IN EXECUTION,  
FLOURISHING IN EXCELLENCE**

# WHERE WORKSPACE VISIONS BLOOM INTO REALITY

**At the heart of every structural marvel lies a seed - a vision.**

At Triver, we use all our resources to metamorphose this seed of an ideal workspace into a successful, awe-inspiring workplace.

Rooted in years of expertise in project execution, Team Triver is committed to nurturing excellence by guiding your project from the master template to the final brick. We prioritize functionality without sacrificing aesthetics. Executing spaces that are both practical, beautiful, and always on time & on budget!

## DISCOVER THE TRIVER TOUCH

**T**ransparency: Nurturing Trustworthy Relationships in Every Project

**I**nsight: Understanding and Cultivating Your Unique Needs

**V**igor: Deeply Rooted in Serving and Supporting You

**E**xperience: Over 15 Years of Cultivating Visions into Reality

**R**each: Sowing the Future of Work Spaces Across South India

# SOW, NURTURE, HARVEST

Imagine us as your dedicated team of engineers, supervisors and technicians, who work seamlessly to guarantee be your go-to for unwavering solutions that consistently fulfil commitments. Our Turn-Key Operator (TKO) services offered across South India do just that - covering every aspect of transforming your vision into reality.

## TURN-KEY OPERATOR (TKO)

We comprehensively handle every facet of turning your vision into a functional, efficient and on-brand workspace.

### Approved Drawings to Finish:

Our team collaborates closely with you to understand your culture, workflow, and aesthetic preferences. We then head to the drawing board to create customized execution plan that align perfectly with your vision and business objectives.

### Construction and Execution:

We breathe life into designs with our uncompromising approach to quality, timeliness, and cost-effectiveness. Handling every detail, from material to final finishing, and ensuring you open for business, on time!

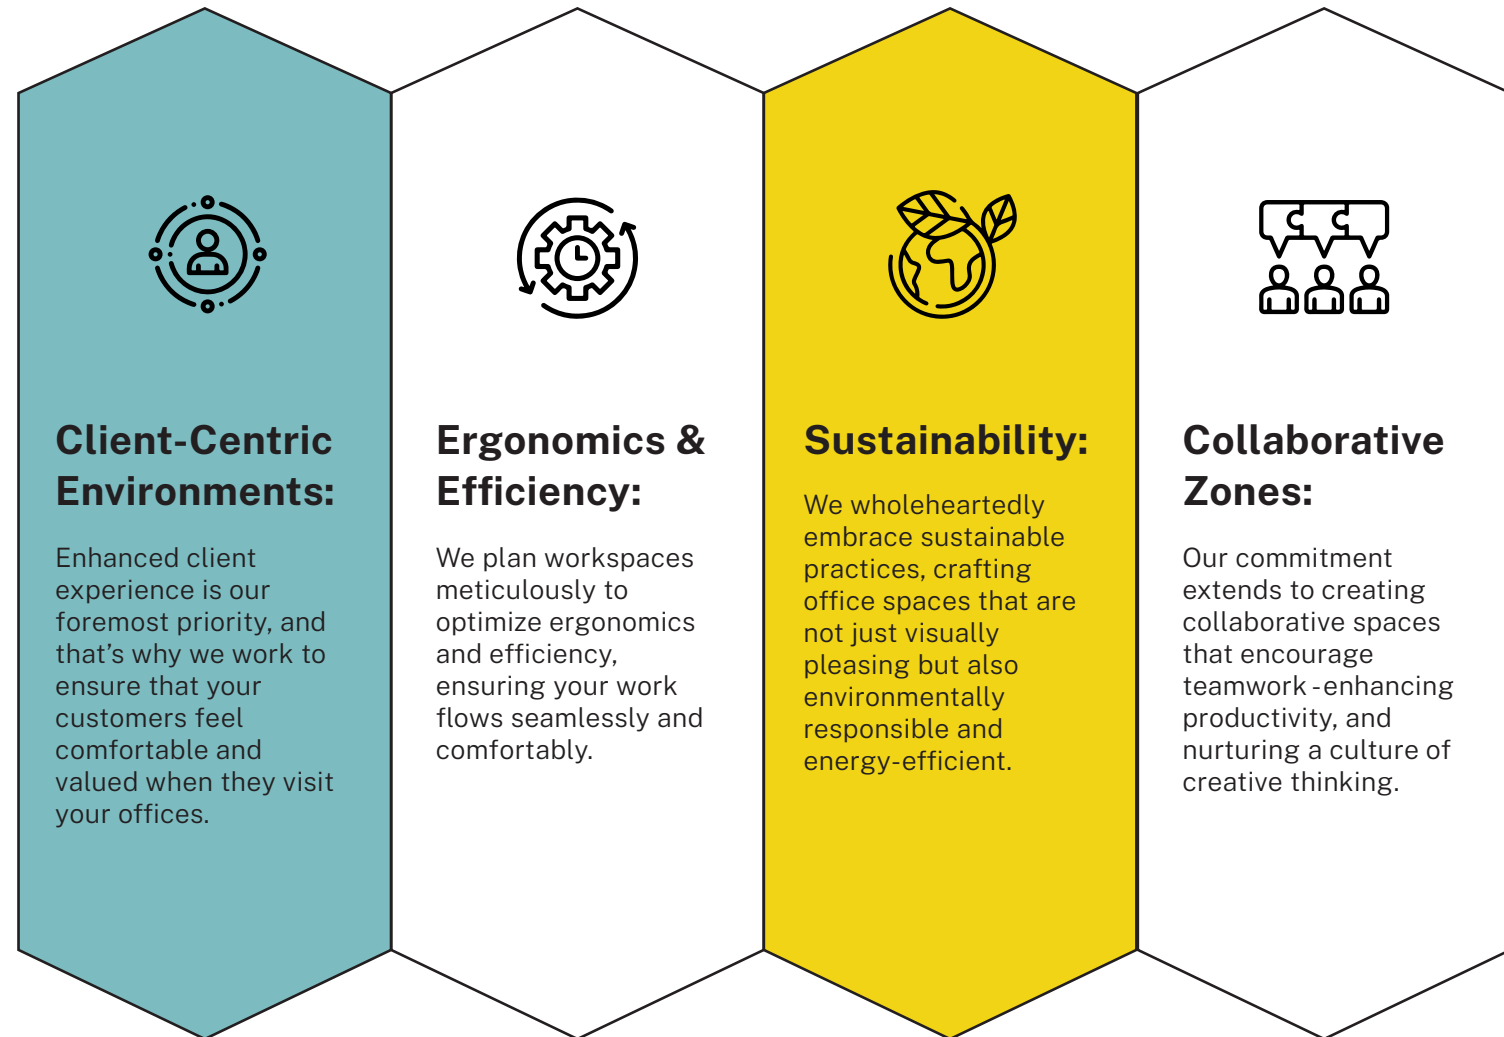

### Quality Assurance:

Team Triver prioritizes quality at every stage, guaranteeing that your office space meets the highest industry standards, making it a space that sustains growth.

# ROOTED IN PROFICIENCY & EXCELLENCE

Beginning your journey with Triver is like planting a seed with promise. Every project is unique, but our proven methodology ensures a seamless journey from concept to completion. Our commitment to transparency and collaboration remains unwavering, every single time!

## Stakeholder Engagement

Engage with project teams to streamline requirements

## Site Assessment & Planning

Create tailored drawings, optimizing master template to site conditions.

## Space Design & Timeline Setup

Finalize floor plans, establish execution strategies, and set clear project milestones with regular updates.

## Site Development

Source materials, assemble skilled workforce, and monitor on-site progress.

## Sign-off & Submission

Conduct client walkthroughs, hand over essential documents, and ensure project completion to satisfaction.

# MEET THE TRIVER TEAM

## K Rama Narayan

Meet Ram, the dynamic CEO steering the ship at Triver. With a rich tapestry of experience in sales and business development, he has become synonymous with building and fostering deep-rooted business relationships, a testament to his remarkable PR prowess.

An avid reader, sports fanatic, and music lover, his passion is unmistakable. And at Triver, under Ram's guidance, we chart new territories with this same zeal.

## C V Shaji

At the heart of our operations stands Shaji, masterfully directing project execution and technical support at Triver. Honing his skills with the ICICI infra team for two decades, he has not only mastered the intricate technical nuances but also architected the very platform on which our business stands today.

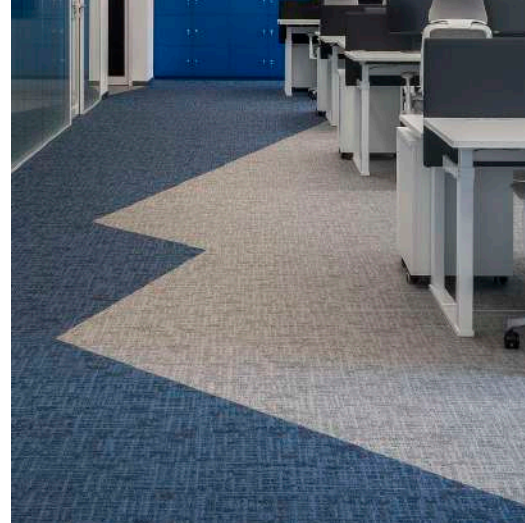

Beyond the boardroom, he is a dedicated marathoner, equally passionate about immersing himself in sports as he is about the mesmerizing beats of Kerala's celebrated percussionists.

## George C Kuriakose

George, an anchor in our organizational structure, seamlessly oversees Finance, Admin, and HR. Powered by an illustrious tenure, his in-depth expertise in Operations, Processes, and the nuances of Finance infuses our business with steadfastness and core strength.

Always on the hunt for fresh business ideas, George is also an avid reader and mentor, who's passionate about imparting wisdom and capturing life's moments through his lens.

# VISIONS OF BOUNTIFUL RETURNS

Every fruit we bear stands testament to our commitment, expertise, and capability to turn visions into reality.
